Artist Series

The Artist series features signature models designed and inspired by some of our endorsed artists. If you want to become an Allen Eden artist, visit our website and apply. www.allenedenguitars.com/artists

Disciple 4 "EQ" By Eric Young

Gloss Black

Eric's signature model is a combination of two basses he has played consistently while on tour. We've working closely with him to get his signature model just right. The EQ features a '70s vintage J-shape, light-weight alder body in a beautiful gloss black paint job with a BWB pick guard and gold hardware. The neck is a '70s J shape with black binding. Maple board with abalone dots.

Price: $549.99

Disciple 5 "Goldilocks" By Chris Stephenson

Metallic Gold

Chris Stephensons's signature model is based on the Disciple 5 Standard with some twists never before offered on the Disciple series. The bass is a vibrant metallic gold with the addition of a matching headstock and gold hardware to complete the look. Stock pickups and electronics are from Artec.

Price: $579.99
